INFORMATION FOR MEMBERS

THE CLUBHOUSE

CONDUCT OF MEMBERS

The Board of Directors at Randwick Golf Club has the power to deal with any member for unsatisfactory conduct, either on the course or within the Clubhouse, under the "Articles of Association".

DRESS RULES

Dress is at the discretion of members. However, the following are considered unsuitable:

- Jogger type shorts
- Persons must be suitably attired.

COMPLAINTS ABOUT SERVICE

In no instance shall a servant of the Club be directly reprimanded by a Member.

PRACTICE ON THE COURSE

RULES AND GUIDELINES

1. RULES

It is a long-standing rule of the Club that:

"Practice is limited to the playing of two balls around the course, in the correct order of holes, from the tee markers in use on that day. No other practice is allowed.

This rule has been interpreted liberally, in the past, to allow members to replay miss-hit strokes and to repeat chips or putts, provided that following players were not delayed.

2. PRACTICE TEE

This is available to members for limited practice.

BUT (a) Not at weekends or when competitions are in progress.

(b) Not in a way that will inconvenience players on the first or ninth fairways.

3. FORM OF PRACTICE SPECIFICALLY BANNED

The hitting of more than two balls.

(a) FROM A TEE.

(b) TO A GREEN (from a distance likely to cause pitch marks).

(c) FROM FAIRWAYS (or closely mown areas).

(d) FROM BUNKERS.

OTHER POINTS

RULES OF GOLF

Members are expected to be familiar with the "Rules and Etiquette of Golf". Copies of the Rules are available from the office.

NOTICES

Members should look at the Notice Board before starting to play, for they are deemed to be aware of all notices, local rules, etc., there posted. They should also check their handicaps before starting play.

MOBILE PHONES ON COURSE

Mobile Phones **MUST** be set to silent or turned off. They cannot be used on Tees, Greens or in hearing range of any other golfers.

TIME SHEETS

If you find it necessary to cancel or amend your booked time, please amend via the members Website log-in a minimum of one hour before tee time, or phone the Pro Shop and notify your booked partners so as to cause no inconvenience to them. **Failure to do so may result in offending player (players) being automatically suspended for ONE MONTH from competition golf.**

Please ensure when recording another player on the time sheet that they are notified accordingly.

SCORE CARDS

Score cards must be **SIGNED** by both player **AND** marker.

Penalty: Disqualification.

The completed scorecard is the final result, not the results recorded into the computer.

CONDUCT

The **LOWEST HANDICAPPED PLAYER** in each group is to be held **RESPONSIBLE** for the general **CONDUCT AND PROGRESS** of such group in the course of a round.

The handicaps for Randwick Golf Course, not the GA handicap, will be used for determining grades.

MISCELLANEOUS

- The buying of golf balls from persons on the course is not allowed.
- Please report golf ball damage to property. The club is insured for such damage and local residents are entitled to have any reasonable claim quickly settled.
- Members are not permitted:

 - To take a buggy or golf cart onto ANY teeing area.

OBTAINING A HANDICAP

1. To obtain a handicap a total of FIVE cards must be submitted, each for 18 holes of golf on Randwick Golf Course. The Marker for each card can be either a Member or Associate of Randwick Golf Club.
2. After THREE cards have been submitted a PROVISIONAL HANDICAP will be awarded. Members with a provisional handicap may play in and be eligible to win any event except Major Events (Championships, etc.).
3. When playing for a handicap it is NOT NECESSARY TO COMPLETE EVERY HOLE. Once more strokes than TWO OVER PAR ON ANY HOLE have been recorded the player may pick up his ball and record (-) on his card.

GENERAL INFORMATION FOR LADY MEMBERS

Alterations may be made to the programme of fixtures at the discretion of the Match Committee.
The Player is responsible for the return of her card without undue delay. The card must be signed by the Player and countersigned by the Marker and show clearly the Player's handicap. Penalty for breach will be disqualification. Players are responsible for the correctness of their handicap - playing off a higher handicap will result in disqualification. In the event of a player reducing her handicap in the first round of a Major Event the original handicap is used for the 2nd or 3rd round. The adjusted handicap will be used for the day's event. In Handicap Match-Play events the current handicap will be used.

ALL CARDS IN COMPETITION MUST BE RETURNED

New Members

The "Proposer" and "Seconder" of a new member are responsible for advising the new member on rules governing conduct in the Club and etiquette on the course. They should make sure that the new member is competent enough in the rules of golf to be a "Marker" for a fellow competitor.

Minimum number of players required to form a competition: In general, the minimum number of players necessary to form an individual competition is SIX, SIX PAIRS for a 2-ball event and TWENTY PLAYERS for a fourball competition. Distribution of trophies will be at the discretion of the Match Committee and the size of the field.

Four Ball Events: twenty players - less will result in an individual competition.

Club Medal: four players must be entered in a division for a Club Medal to be awarded - score will count for the GNSW Medal Sheet.

Timesheets

A player may enter her own name and one other. In the event of a Team competition the player may enter her Team. All cancellations must be reported to the Starter prior to the commencement of play. In Partners' events players must be considerate to their partner and advise them if unable to play. Players are not to play with the same persons more than twice in the one month. Wednesday players should alternate between starting on 1st & 10th tee.

Slowplay

The lowest handicapped player will be held responsible for the progress of the group.
